Call for Registration

URGENT

It is only 15 days left to the start of the Conference

We are pleased to inform you that our preparation is going well as it is scheduled

This congress aims to enrich the knowledge of all primary care providers and all physicians of different disciplines, and to exchange the experience of participants about disability and Rehabilitation issues. The Conference comprises of free papers, a seminar and 6 workshops:

Attending any of the below Four workshops needs registration based on first come first served. Separate Registration for needed. Therefore, it necessary to register as early as possible

The Four workshop needs registration:

1. Evidence Based Medicine Workshop; Searching Evidence based Databases
2. Training Human resources for integration of primary Eye care
3. Practical Assessment of Children with Developmental Problems
4. The International Classification of Functioning, Disability and Health: Understanding the whole child

Early Registration is necessary for the scientific sessions as well as for the above mentioned workshops. Registration will entitle you for the Conference package, i.e., the bag, abstract and programme booklet, name badge and Certification. **Registration only for the workshop is also accepted.**

To register you can call or contact the COMS office for the Primary Care at 17246341, Mrs. Fatima A. Wahed - SMC, Mrs. Hala Halabi – CHSs. On-line registration is welcomed till May 5, 2005.

If you still need any further help or enquiry, please do not hesitate to call or contact us at: conf@primarycare-bah.com

We appreciate your cooperation and participation.

With my best regards,

Dr. Farouq Al-Zurba
Chairman, Organising Committee
